Counsel having submitted letters concerning certain discovery disputes, it is hereby ORDERED as follows:

1. Plaintiff shall produce redacted copies of his 2006 and 2007 tax returns reflecting the sources and amounts of his earnings after the termination of his employment with SCA. After the returns have been produced, counsel may present to me any residual disputes regarding the scope of redactions.

2. Plaintiff shall produce any profit and loss statements for ERM Associates as well as any documents reflecting plaintiff's earnings derived from ERM.

3. Plaintiff shall produce any documents reflecting the terms of his employment at NYU, including compensation.

4. Defendants' application to compel production of documents used by plaintiff in his NYU course and his consulting firm is denied, as the discovery demand is overbroad. This determination

Case 1:07-cv-09716-CM Document 27 Filed 06/18/2008 Page 2 of 2
is without prejudice to defendants propounding a narrower discovery
request better tailored to elicit evidence of alleged
misappropriation of trade secrets by plaintiff.

SO ORDERED.
